Author’s VERY BRIEF Summary of Proposed Action: Delete Rule

Affected Rule: 16.2.15 Should the start be postponed to a later time, a black flag shall be shown, and the boats shall return to the pits for instructions. Should a restart be required, only those boats which were legal starters at the time the heat was stopped will be eligible to run in the restart of that heat.

Proposed rule: Delete Rule

Reason for change: We should always fill the field with as many boats that are available to run. To keep someone on the trailer because they didn’t start the

original heat, I don't see a purpose when trying to have as many boats on the water as possible. We already have low boat count as it is.
